Massage and Why

There are many healthy benefits of frequent massages.

It is particularly good for promoting circulation, enhancing the flow of nutrients to all body cells sweeping away any waste, keeping tissue pliable as we age, preventing tension from building and last but certainly not least. It helps to combat stress, anxiety, insomnia, lack of concentration and muscle aches.

Facials and Why

We now recognize that proper maintenance of the skin through a variety of facials will provide the skin with better endurance. We will nourish, protect, deep cleanse, heal, revitalize and help sensitive skin or rosacea skin.

All of our facial treatments will be enhanced by a home regimen and our facialist will prescribe some products.

All products will be available for purchase.
